

November 1, 2005

Southern California Conference
Pathfinder Leadership

Dear Pathfinder Leaders,

The Sabbath afternoon meetings for November and December have been cancelled because all the topics were covered at our October Pathfinder Leadership Convention at Camp Cedar Falls. However, before January you will be receiving the topics offered for the 2006 Leadership Trainings at the Conference Office.

In the mean time, call our office if we may assist you in making you a success with your club. The organization of the coordinator's program is happening right now and you will hear more about any changes before the New Year.

There are a number of new clubs and existing clubs who will need to order T-shirts for the upcoming year. Fill out the enclosed form and have it back to our office on or before **December 1, 2005**. If you are mailing your order, make sure you allow time for mail service to arrive before December 1.

Have a great holiday season and please call in advance if you would like me to attend your induction, investiture, campout, or Pathfinder Day. At the present time I am putting together my calendar for Sabbath appointments. I would love to join your club on these special programs.

Sincerely,

Bob Wong
Director of Youth Ministries
