Southern California Conference of SDA
Pathfinder Leaders

Dear Leaders,

Good News! Elder Larry Caviness, our Conference President, has secured enough money for our mission trip at the White Memorial School so that we do not have to charge anyone!

I need a list of individuals who are interested in this project. Depending on the amount of participants, we have several options in mind:

1. We could do two Sundays
2. Or all week long
3. Or if we have enough helpers, maybe we can schedule a different club each day and make it a day event per club extending over several days

Give me your thoughts and let me know as soon as possible the interest in this project. Call 818-546-8439 or e-mail bwong@sccsda.org.

Hope to hear from you soon.

Sincerely,

Bob Wong
Director of Youth Ministries
