Southern California Conference of Seventh-day Adventists  
Pathfinder and Adventurer Leadership

Dear Leadership,

Tee shirt orders were faxed to the vendor today. He is to have the order back to us by New Year. For those of you who ordered, please call after January 1 before making a trip to the office to verify if the shirts have been delivered.

**Please Note: The Youth Ministries Office will be closed on Thursday, December 22 for inventory. We are putting all inventories on computer and cannot sell items that day. Please plan accordingly.**

Our next monthly Leadership Seminar for the year 2006 is January 14 for Pathfinders and January 21 for Adventurer Leaders. I will be covering risks and dangers for clubs on both meetings. A schedule for the rest of the year will be mailed in the near future.

Sincerely,

Bob Wong  
Director of Youth Ministries
